

Dear Members and friends of Mikrobiokosmos Society

We are happy to announce that the abstract submission platform for the 8th Conference of Mikrobiokosmos Society is now open! The deadline for the abstract submission is **January 31 2019**. Submission instructions can be found at the site of the conference <http://mikrobiokosmos8.org/>. A small number of the submitted abstracts will be selected for oral presentation by the Scientific Committee, most of the submitted abstracts will be presented as posters. You may define if you prefer that your abstract is considered for oral presentation at the time of submission. We would like to inform you that presentations by students or postdocs will be considered for 2 best oral and 3 best poster presentation awards.

The registration site will open next week. For each presentation, at least one of the co-authors should be registered for the conference and each registration covers 2 presentations at most.
